

2019 Cuyuna Off-Road Triathlon Partnership Opportunities

Hello,

Last year's inaugural triathlon was a tremendous success! With 162 participants, 90 volunteers, and 27 sponsors, we were able to raise nearly \$7,000 for the Cuyuna Range Elementary School's Parent-Teacher Organization. With that funding they've been able to support a wide range of youth sports, activities, and educational opportunities including new weight room equipment at the Crosby-Ironton High School and kids sports equipment at the Hallett Community Center as well as sleds and winter gear for the kindergartners. And that list keeps growing as funding requests continue to be submitted!

We couldn't have had this success and witnessed this impact without our sponsors so...
will you consider joining us as a partner for the 2019 event?

Scheduled for Sunday, June 9, 2019 we are looking forward to an even **bigger** and **better** event. Based on your level of commitment, there are a variety of marketing benefits that we can provide:
